

CURRICULUM SCIENTIFICO-PROFESSIONALE

Mikolaj Winnicki MD, PhD, nato il 4 Febbraio 1967 a Danzica, Polonia. Cittadinanza: Polacca. Paese di residenza: Italia

INCARICHI ATTUALI

NOME	POSIZIONE	LOCALITA/AFFILIAZIONE
Mikolaj Winnicki	LIBERO PROFESSIONISTA	PADOVA, ITALIA

ITER FORMATIVO DI RICERCA SCIENTIFICA

ISTITUZIONE E SEDE	TITOLO	ANNO	CAMPO DI STUDIO
Università Medica di Danzica, Polonia	LAUREA	1991	Medicina e chirurgia
Università Medica di Danzica, Polonia	SPECIALIZZAZIONE	1991-96	Medicina Interna
Università di Padova, Italia	BORSISTA	1995/96	Ipertensione
Università Medica di Danzica, Polonia	DOTTORATO DI RICERCA	1996	Ipertensione
Universita` dell'Iowa (USA) e Mayo Clinic, Rochester, Minnesota (USA)	SENIOR RESEARCH FELLOW/SPECIALIZZ.	1998-2002	Ipertensione /Cardiologia
Università di Padova, Italia	BORSISTA	2002-2006	Ipertensione
Università di Tor Vergata, Roma, Italia	SPECIALIZZAZIONE	2006-2008	Medicina Estetica

PUBBLICAZIONI (ARTICOLI): 45 INTERNAZIONALI, 8 NAZIONALI; IMPACT FACTOR TOTALE (SOLO INTERNAZIONALI): **206,083**

NUMERO DI CITAZIONI - SCOPUS 3.145, H-INDEX 27, - WEB OF SCIENCE 2.647, H-INDEX 24 (11.08.2022)

ESPERIENZE PROFESSIONALI E/O DIDATTICHE:

Occupazione

1991	Tirocinio in Medicina, Chirurgia, Ostetricia e Ginecologia, Università Medica di Danzica, Polonia
1992-98	Medico interno e frequentatore, Dipartimento di Ipertensione e Diabetologia, Università Medica di Danzica, Polonia
1992-98	Insegnamento di Medicina Interna per gli studenti del III° e V° anno e tirocinanti della Scuola di Medicina Interna, Università Medica di Danzica, Polonia.
1992-94	Specializzando in Medicina Interna, Università Medica di Danzica, Polonia
1994	Specializzazione in Medicina Interna I livello, Università Medica di Danzica, Polonia
1994-96	Specializzando in Medicina Interna II Livello, Università Medica di Danzica, Polonia
1995-96	Borsista, Università di Padova, Italia
1996	Specializzazione in Medicina Interna II Livello, Università Medica di Danzica, Polonia
1996-98	Specializzando in Cardiologia, Università Medica di Danzica, Polonia
1997	Assistente, Dipartimento di Ipertensione e Diabetologia, Università Medica di Danzica, Polonia
1998-99	Research Fellow, frequentatore, presso Cardiovascular Division, Università dell'Iowa, USA
1999-2002	Senior Research Fellow, frequentatore, presso Cardiovascular Division, Mayo Clinic, Rochester, USA
2002-06	Borsista, frequentatore, Dipartimento di Medicina Clinica e Sperimentale, Università di Padova, Italia
2007-oggi	Libero professionista

RICONOSCIMENTI E PREMI:

- 1992-2004 Insignito per 14 volte dello “Young Investigator Award” da parte di: International Society of Hypertension (5), American Society of Hypertension (4), American Heart Association (1), European Society of Cardiology (1), European Society of Cardiovascular Disease (1), European Society of Hypertension (2) e Polish Cardiac Society (1);
- 1995 Vincitore di Borsa di Studio dell’Università di Padova per Candidati dei Paesi dell’Europa dell’Est;
- 1997 Vincitore di Borsa di Studio dell’Istituto Nazionale di Ricerca Scientifica Polacca per il progetto: “Substrato Genetico dell’Ipertensione nelle Popolazioni Polacca ed Italiana”;
- 1998 e 1999 Vincitore di Borsa di Studio dell’Istituto Francese INSERM e dell’Istituto Nazionale Polacco della Ricerca Scientifica Genetica POLONIUM 98 e 99;
- 1998-2001 Vincitore di Borsa di Studio Internazionale “John E. Fogarty” dell’ American National Institute of Health;
- 2002 Vincitore del Premio “Jiri Widimsky Award” della International & European Society of Hypertension per migliore lavoro scientifico per candidati dei Paesi dell’Europa dell’Est.
- 2003 Vincitore di Borsa di Studio Postdottorato dell’Università di Padova per Ricercatori stranieri di Paesi Europei.
- 2005 Vincitore di Borsa di Studio Internazionale della Società Italiana della Ipertensione Arteriosa

COOPERAZIONI SCIENTIFICHE INTERNAZIONALI:

<u>Anno</u>	<u>Tipo di Attivita`</u>
1996/97	Promotore e Coordinatore della cooperazione Scientifica tra il Dipartimento di Ipertensione, Università Medica di Danzica, Polonia e Clinica Medica 4, Università di Padova, Italia come parte di accordo intergovernativo Polacco-Italiano per la cooperazione bilaterale scientifica.
1997-oggi	Promotore e Coordinatore dello studio di valutazione genetica dell’iperteso borderline nello Studio Harvest. Cooperazione tra Università Medica di Danzica, Polonia e Gruppo Studio Harvest (l’Università di Padova, Italia).
1998/99	Promotore e Coordinatore della cooperazione Scientifica tra Dipartimento di Ipertensione, Università Medica di Danzica, Polonia ed Ospedale di Brussels, Parigi, Francia come parte del programma POLONIUM 1998 e 1999.
1999-oggi	Promotore e Coordinatore della cooperazione tra Cardiovascular Division, Mayo Clinic, Rochester, MN, USA e Gruppo di Studio Lugalawa (Università di Padova, Italia): determinanti neuromorali ed epidemiologici del profilo cardiovascolare in una popolazione tribale africana.
2001-oggi	Promotore e Coordinatore di cooperazione scientifica trilatera tra Mayo Clinic, Rochester, MN, USA, Università Medica di Danzica, Polonia e Gruppo di Studio Leogra (Università di Padova): fattori genetici, epidemiologici e biochimici in una popolazione ad alto rischio di malattie cardiovascolari.

ORGANIZZAZIONE DI CONFERENZE, SIMPOSI, GROUND ROUNDS, JOURNAL CLUBS, ECC:

<u>Anno</u>	<u>Tipo di Attivita</u>
1991	Membro del Comitato Organizzatore della Conferenza di Cardiologia: "Ambulatory blood pressure monitoring in borderline hypertension", Danzica, Polonia
1992	Membro del Comitato Organizzatore della Conferenza di Cardiologia: "Ambulatory blood pressure. Future perspectives", Danzica, Polonia
1995	Membro del Comitato Organizzatore del Satellite Symposium della European Society of Cardiology, Danzica, Polonia.
1998	Membro del Comitato Organizzatore della Conferenza “Internet in Medicine”, Danzica, Polonia.
1998	Membro del Comitato Organizzatore del Satellite Symposium del “XV Meeting of the Polish Society of Hypertension”, Danzica, Polonia

MASTERS E DOTTORATI DI RICERCA. RELATORE/CORRELATORE/SUPERVISORE DI TESI, SUPERVISORE DI PERSONALE POST-DOC:

1. Dott.ssa Dorigatti Francesca. Tesi di dottorato di ricerca “Ruolo delle modificazioni dello stile di vita nello sviluppo dell’ipertensione arteriosa e interazione con la familiarita` per ipertensione” , Università di Padova, Italia, 31 Ottobre 2003
2. Dott. Perkovic Davor. Tesi di laurea “Relazione tra compliance arteriosa e polimorfismi genetici nell’ipertensione”. Università di Padova, Italia, 4 Novembre 2003.
3. Dott.ssa Bonso Elisa. Tesi di laurea “Il biofeedback nel trattamento del soggetto iperteso”, Università di Padova, Italia, 18 Marzo 2004.
4. Dott.ssa Sanigi Catia. Tesi di specializzazione in Medicina Interna “Prevalenza e significato clinico della microalbuminuria nell’ipertensione. Risultati dello studio Harvest.” Università di Padova, Italia, Maggio 2004.
5. Dott. Bratti Paolo. Tesi di laurea “ Influenza del background genetico sulla massa e funzione ventricolare sinistra in soggetti con ipertensione lieve”. Università di Padova, Italia, Luglio 2004.
6. Dott.ssa Guarnieri Chiara. Tesi di laurea “Background genetico e risposta alla terapia antipertensiva con ace-inibitori”. Università di Padova, Italia, Luglio 2004.
7. Dott.ssa Rafaella Garbelotto. Tesi di specializzazione in Medicina Interna “Predittori della rigidita` della parete arteriosa nella fase iniziale dell’ipertensione.” Università di Padova, Italia, Dicembre 2005.
8. Dott. Daniele Longo. Tesi di specializzazione in Medicina Interna “Ruolo del sistema nervoso autonomo nell’ipertensione arteriosa” Università di Padova, Italia, Dicembre 2005.

REFEREE DI RIVISTE SCIENTIFICHE/MEMBRO DI COMITATO SCIENTIFICO

<u>Anno</u>	<u>Giornale:</u>
2000-oggi	European Heart Journal 29,983
2002-oggi	Circulation 39,918
2002-oggi	European Journal of Heart Failure 15,534
2002-oggi	Journal of Hypertension 4,844
2003-oggi	American Journal of Cardiology 2,778
2003-oggi	Nephrology Dialysis Transplantation 7,186
2004-oggi	Hypertension 10,190
2005-oggi	Journal of the American College of Cardiology (JACC) 27,203

PRESENTAZIONI SPECIALI, RELATORE, ESPOSIZIONI, FILMATI, VIDEOCASSETTE, ECC:

1. Film video: "L’Ipertensione e la Malattia Cardiovascolare". Società Polacca d’Ipertensione Arteriosa, 1993.
2. Relatore - “Physical Activity and Angiotensin-Converting Enzyme Gene Polymorphism”. Mayo Clinic, Rochester, MN, USA, 18 Gennaio 2001.
3. Relatore – “Role of Genetics in the Evaluation and Treatment of Mild Hypertensives”. Satellite Symposium del “11th Meeting of the European Society of Hypertension”, 20 Giugno 2001, Padova, Italia.
4. Relatore – “Microalbuminuria in Early Stages of Hypertension”. Satellite Symposium del “13th Meeting of the European Society of Hypertension”, 19 Giugno 2003, Padova, Italia.
5. Relatore – “Adipose Tissue, Inflammation and Vascular Disease”. 15th European Meeting on Hypertension 17-21 Giugno 2005, Milano, Italia
6. Relatore – “Links Between Heart Rate and Blood Pressure”. Satellite Symposium del 15th European Meeting on Hypertension 23 Giugno 2005, Padova, Italia.
7. Relatore – “Obesità Come Fattore Di Rischio Cardiovascolare”. I Corsi D’Aggiornamento Della Clinica Cardiologica Di Padova, 5-7 Aprile 2006, Padova, Italia.
8. Relatore – “Obesità Come Fattore Di Rischio Cardiovascolare”. I Corsi D’Aggiornamento Della Clinica Cardiologica Di Padova, Ottobre, Novembre e Dicembre 2006, Padova, Italia.

9. Relatore – “Obesità Come Fattore Di Rischio Cardiovascolare”. I Corsi D’Aggiornamento Della Clinica Cardiologica Di Padova, Anno scolastico 2007/2008, Padova, Italia.

CHAIRMAN (SOLO CONGRESSI INTERNAZIONALI):

1. XIX-th Scientific Meeting of the International Society of Hypertension and XII-th European Meeting on Hypertension, Prague, Czech Republic, 23-27.06.2002, sessione “Blood Pressure Measurements”.
2. XIV-th European Meeting on Hypertension, Paris, France, 13-17.06.2004, sessione “Heart Rate Variability”.

AFFILIAZIONI PROFESSIONALI:

<u>Anno</u>	<u>Società</u>
1992-oggi	Società Polacca di Medicina
1992-oggi	Società Polacca d’Ipertensione Arteriosa
1996-oggi	Società Polacca di Cardiologia
1997-oggi	Società Americana d’Ipertensione Arteriosa
2001-oggi	Mayo Medical Alumni Association
2005-oggi	Associazione Italiana Medicina Estetica
2005-oggi	Società Italiana di Medicina Estetica

PRESENTAZIONE DI COMUNICAZIONI

- IV-th Congress of Polish Nephrology Society, Katowice 6-8.09.1992 (oral). Lichodziejewska M, Winnicki M, Rynkiewicz A, Narkiewicz K, Bullo B, Rutkowski B, Manitius A. *Wpływ dializy na korelację między stężeniem insuliny na czczo i ambulatoryjnym ciśnieniem tętniczym.*
- V-th European Meeting on Renal Diseases, Mediolan, Italy, 2-4.04.1992. (oral). Winnicki M, Rynkiewicz A, Narkiewicz K, Bullo B, Lichodziejewska M, Rutkowski B, Manitius A. *Negative correlation between fasting plasma insulin and ambulatory blood pressure in patients on chronic haemodialysis.*
- X-th European Conference of the International Society of Noninvasive Cardiology, Rotterdam, Holland 15-17.10.1992 (poster). Rynkiewicz A, Narkiewicz K, Winnicki M, Jasiel H, Semetkowska E, Bieniaszewski L, Horoszek-Maziarz S. *24-h noninvasive ambulatory blood pressure monitoring and insulin relationship in different pathological conditions.*
- XXVIII-th Annual Meeting of the European Association for the Study of Diabetes Praga, Czechosłowacja 8-11.09.1992 (oral). Rynkiewicz A, Narkiewicz K, Winnicki M, Jasiel-Wojculewicz H, Semetkowska-Jurkiewicz E, Bieniaszewski L, Horoszek-Maziarz S, Krupa-Wojciechowska B. *Hypertensive and hypotensive effect of insulin in different clinical conditions.*
- III-rd Congress of Polish Hypertension Society, Szczecin 16-17.10.1992 (oral). Winnicki M, Rynkiewicz A, Narkiewicz K, Bullo B, Lichodziejewska M, Rutkowski B, Manitius A. *Znamienna ujemna korelacja między stężeniem insuliny na czczo i ambulatoryjnym ciśnieniem u chorych przewlekle dializowanych.*

6. III-rd Congress of Polish Hypertension Society, Szczecin 16-17.10.1992 (oral). Rynkiewicz A, Narkiewicz K, Furmański J, Winnicki M, Jasiel H, Bieniaszewski L, Krupa-Wojciechowska B. *Hipertensyjne i hipotensyjne działanie insuliny w różnych stanach klinicznych.*
7. International Society of Hypertension Visiting Teaching Faculty, Warszawa 19.02.93 (poster). Rynkiewicz A, Narkiewicz K, Furmański J, Winnicki M, Jasiel H, Bartłomiejczyk-Majchrowicz K, Bieniaszewski L, Krupa-Wojciechowska B. *Hypertensive and hypotensive effect of insulin in different clinical conditions.*
8. VI-th European Meeting on Hypertension, Mediolan, Italy 4-7.06.1993 (oral). Narkiewicz K, Bieniaszewski L, Szczech R, Gasecki D, Winklewski P, Zając I, Winnicki M, Rynkiewicz A, Krupa-Wojciechowska B. *Analysis of the diurnal blood pressure profile in normotensive twins.*
9. XV-th Congress of the European Society of Cardiology, Nicea, France 29.08-02.09.1993 (poster). Narkiewicz K, Bieniaszewski L, Szczęch R, Gąsecki D, Winklewski P, Zając I, Winnicki M, Rynkiewicz A, Krupa-Wojciechowska B. *Twin similarity in ambulatory blood pressure profile.*
10. Joint Symposium of the International Society and Federation of Cardiology and Polish Cardiac Society: Advances in Cardiology. Warszawa 6-8.09.1993 (oral). Narkiewicz K, Bieniaszewski L, Szczęch R, Gąsecki D, Winklewski P, Zając I, Winnicki M, Rynkiewicz A, Krupa-Wojciechowska B. *Twin similarity in ambulatory blood pressure profile.*
11. IV-th International Meeting on 24-hour blood pressure profile: up-to-date and future perspectives. L'Aquila, Italy 10-11.09.1993 (poster). Winnicki M, Rynkiewicz A, Narkiewicz K, Bułło B, Lichodziejewska M, Rutkowski B, Manitus A. *Negative correlation between fasting plasma insulin and ambulatory blood pressure in patients on chronic haemodialysis.*
12. IV-th International Meeting on 24-hour blood pressure profile: up-to-date and future perspectives. L'Aquila, Italy 10-11.09.1993 (poster). Rynkiewicz A, Narkiewicz K, Furmański J, Winnicki M, Jasiel H, Bartłomiejczyk K, Bieniaszewski L, Krupa-Wojciechowska B. *24-h ambulatory blood pressure and fasting plasma insulin relationship in different clinical conditions.*
13. European Meeting on Calcium Antagonists, Amsterdam, Holand 14-17.09.1993 (poster). Bartłomiejczyk-Majchrowicz K, Narkiewicz K, Winnicki M, Bieniaszewski L, Kowalczyk M, Rynkiewicz A, Krupa-Wojciechowska B. *The long-term effect of amlodipine on fasting plasma insulin, urinary albumin excretion and ambulatory blood pressure in mild to moderate hypetension.*
14. 54-th Congress of Polish Cardiac Society, Szczecin 7-8.10.1993 (oral). Narkiewicz K, Bieniaszewski L, Szczęch R, Gąsecki R, Winklewski P, Zając I, Winnicki M, Rynkiewicz A, Krupa-Wojciechowska B. *Wpływ czynników genetycznych na profil dobowy ciśnienia tętniczego.*
15. 54-th Congress of Polish Cardiac Society, Szczecin 7-8.10.1993 (oral). Rynkiewicz A, Bartłomiejczyk-Majchrowicz K, Narkiewicz K, Furmański J, Winnicki M, Jasiel H, Bieniaszewski L, Krupa-Wojciechowska B. *Hipertensyjne i hipotensyjne działanie insuliny ?*
16. XV-th Scientific Meeting of the International Society of Hypertension-Satellite Symposium, Melbourne, Australia 20-24.03.1994 (poster). Narkiewicz K, Szczęch R, Bieniaszewski L, Winnicki M, Rynkiewicz A, Krupa-Wojciechowska B. *Twin similarity in alerting response during ambulatory blood pressure monitoring.*
17. IX-th Annual Scientific Meeting of the American Society of Hypertension, New York, USA 11-14.05.1994 (poster). Narkiewicz K, Szczęch R, Bieniaszewski L, Winnicki M, Rynkiewicz A, Krupa-Wojciechowska B. *Twin similarity in alerting response during ambulatory blood pressure monitoring.*
18. IX-th Annual Scientific Meeting of the American Society of Hypertension, New York, USA 11-14.05.1994 (poster). Rynkiewicz A, Narkiewicz K, Winnicki M, Jasiel H, Bartłomiejczyk K, Bieniaszewski L, Krupa-Wojciechowska B. *Fasting plasma insulin and 24-ambulatory blood pressure in different clinical conditions.*
19. VI-th International Congress on Ambulatory Monitoring, Barcelona, Spain 19-22.05.1994 (poster). Winnicki M, Narkiewicz K, Bieniaszewski L, Chrostowska M, Rynkiewicz A, Krupa-Wojciechowska B. *Blood pressure alerting response and age: Korotkoff versus oscillometric ambulatory monitoring method.*

20. VI-th International Congress on Ambulatory Monitoring, Barcelona, Spain 19-22.05.1994 (poster). Winnicki M, Rynkiewicz A, Narkiewicz K, Bułło B, Lichodziejewska M, Dębska A, Rutkowski B. *Twenty-four blood pressure variability in dialysed and non-dialysed patients with chronic renal failure.*
21. 55-th Congress of Polish Cardiac Society, Poznań 15-17.09.1994 (poster). Winnicki M, Rynkiewicz A, Narkiewicz K, Bułło B, Lichodziejewska M, Dębska A, Rutkowski B. *Zmienność ciśnienia tętniczego u dializowanych i niedializowanych chorych z przewlekłą niewydolnością nerek.*
22. IV-th Congress of Polish Hypertension Society, Poznań 15-17.10.1994 (oral). Winnicki M, Narkiewicz K, Bieniaszewski L, Chrostowska M, Rynkiewicz A, Bułło B, Lichodziejewska M, Dębska A, Krupa-Wojciechowska B. *Blood pressure alerting response and age: korotkoff versus oscillometric ambulatory monitoring method.*
23. II-nd European Meeting on Calcium Antagonists, Amsterdam, Holand, 25-27.10.1995 (poster). Bartłomiejczyk-Majchrowicz K, Narkiewicz K, Winnicki M, Bieniaszewski L, Kowalczyk M, Kusiak E, Krupa-Wojciechowska B. *The long-term effect of nitrendipine on fasting plasma insulin, urinary albumin excretion beta-2-microglobulin and ambulatory blood pressure in mild to moderate hypertension.*
24. X-th Annual Scientific Meeting of American Society of Hypertension, New York, USA 17-20.05.1995 (poster). Purzycki Z, Wyrzykowski B, Gockowski K, Winnicki M, Sowers J. *Relationship between 24h urinary albumin excretion rate, left ventricular mass index and 24h ambulatory blood pressure in borderline hypertensives and normotensive offspring of hypertensive parents.*
25. The First Baltic Meeting on Nephrology, Gdańsk, 28-30.04.1995 (oral) Rynkiewicz A, Winnicki M, Narkiewicz K, Bułło B, Dębska A, Kustos J, Lichodziejewska-Niemierko M, Sokołowska E, Rutkowski B. *Ambulatory blood pressure monitoring in chronic renal failure.*
26. The First Baltic Meeting on Nephrology, Gdańsk, 28-30.04.1995 (oral) Winnicki M, Bułło B, Rynkiewicz A, Dębska A, Narkiewicz K, Lichodziejewska-Niemierko M, Sokołowska E, Rutkowski B. *Cardiovascular risk in dialysed and non-dialysed patients with chronic renal failure estimated by blood pressure variability.*
27. Satellite Symposium to the 7th European Meeting on Hypertension, Gdańsk 27.05.1995 (poster) Winnicki M, Rynkiewicz A, Narkiewicz K, Bułło B, Lichodziejewska-Niemierko M, Dębska A, Rutkowski B. *Ambulatory blood pressure monitoring in chronic renal failure.*
28. First Scientific Meeting of European Hypertension in Diabetes Study Group, Padova, Italy 08-09.03.1996 (oral). Furmański J, Kruszewski P, Przeździak M, Wolnik B, Semetkowska-Jurkiewicz E, Winnicki M. *Ambulatory blood pressure profile in type II diabetic patients*
29. VII-th International Meeting on Ambulatory Monitoring Tokio, Japan 10-14.05.1996 (oral) Winnicki M, Canali C, Accurso V, Bacillieri S, Dorigatti F, Mormino P, Zoncin P, Garavelli G, Palatini P. *Ambulatory blood pressure and short-term blood pressure variability is related to environmental temperature in a population of stage I hypertensives.*
30. VII-th International Meeting on Ambulatory Monitoring Tokio, Japan 10-14.05.1996 (oral) Winnicki M, Chrostowska M, Narkiewicz K, Bieniaszewski L, Rynkiewicz A, Krupa-Wojciechowska B. *Blood pressure alerting response and age: Korotkoff versus oscillometric ambulatory monitoring method.*
31. VII-th International Meeting on Ambulatory Monitoring Tokio, Japan 10-14.05.1996 (poster) Winnicki M, Sobiczewski W, Bartłomiejczyk-Majchrowicz K, Rynkiewicz A, Krupa-Wojciechowska B. *Effects of once-a-day amlodipine and trandolapril on 24-hour ambulatory blood pressure and its short-term variability.*
32. XI-th Annual Scientific Meeting of American Society of Hypertension, New York, USA, 15-18.05.1996 (poster) Winnicki M, Sobiczewski W, Bartłomiejczyk-Majchrowicz K, Rynkiewicz A, Krupa-Wojciechowska B. *Effects of once-a-day amlodipine and trandolapril on 24-hour ambulatory blood pressure and its short-term variability.*
33. XI-th Annual Scientific Meeting of American Society of Hypertension, New York, USA, 15-18.05.1996 (poster) Bigda J, Narkiewicz K, Chrostowska M, Winnicki M, Szczęch R, Pawłowski R, Krupa-

- Wojciechowska B. *Ambulatory blood pressure is not related to genetic variation at the angiotensinogen locus in normotensives.*
34. XVI-th Scientific Meeting of the International Society of Hypertension, Glasgow, UK, 23-27.06.1996 (poster). Winnicki M, Canali C, Accurso V, Bacillieri S, Dorigatti F, Mormino P, Zonzin P, Garavelli P, Palatini P, on behalf of the HARVEST Trial investigators. *Ambulatory blood pressure and short-term blood pressure variability is related to environmental temperature in a population of stage I hypertensives.*
 35. XVI-th Scientific Meeting of the International Society of Hypertension, Glasgow, UK, 23-27.06.1996 (poster) Bigda J, Narkiewicz K, Chrostowska M, Winnicki M, Szczech R, Pawlowski R, Krupa-Wojciechowska B. *Ambulatory blood pressure is not related to genetic variation at the angiotensinogen locus in normotensives.*
 36. XVI-th Scientific Meeting of the International Society of Hypertension, Glasgow, UK, 23-27.06.1996 (poster). Winnicki M, Chrostowska M, Narkiewicz K, Bieniaszewski L, Rynkiewicz A, Krupa-Wojciechowska B. *Blood pressure alerting response and age — korotkoff versus oscillometric ambulatory monitoring method.*
 37. XVI-th Scientific Meeting of the International Society of Hypertension, Glasgow, UK, 23-27.06.1996 (poster) Chrostowska M, Narkiewicz K, Winnicki M, Bieniaszewski L, Bigda J, Szczech R, Pawlowski R, Krupa-Wojciechowska B. *Factors affecting ambulatory blood pressure variability in normotensive subjects.*
 38. XVI-th Scientific Meeting of the International Society of Hypertension, Glasgow, UK, 23-27.06.1996 (poster). Winnicki M, Chrostowska M, Szczech R, Narkiewicz K, Bieniaszewski L, Krupa-Wojciechowska B. *Blood pressure alerting response predicts variability of ambulatory blood pressure.*
 39. XVII-th Congress of the European Society of Cardiology, Birmingham, UK, 25-29.08.1996 (poster). Winnicki M, Mormino P, Canali C, Graniero GR, Dorigatti F, Palatini P for the Harvest Study Group. *Relationship between changes in body weight and ambulatory blood pressure in mild to borderline hypertensives.*
 40. European Research Conference on Blood Pressure and Cardiovascular Disease Noordvijkenhuit, Holland, 19-21.11.1996 (poster). Winnicki M, Santonastaso M, Cozzutti E, Dal Follo M, Berton G, Palatini P on behalf of the HARVEST Study Group, Italy. *Family history of hypertension and dopamine predicts blood pressure response to body weight loss. The HARVEST Study.*
 41. V-th Congress of Polish Hypertension Society, Warszawa 15-16.11.1996 (oral). Winnicki M, Canali C, Accurso V, Bacillieri S, Dorigatti F, Mormino P, Zonzin P, Garavelli G, Palatini P za zgodą HARVEST Trial Group, Padwa, Włochy. *Ambulatoryjne ciśnienie tętnicze oraz jego zmienność jest zależne od temperatury otoczenia w populacji ludzi z łagodnym i granicznym nadciśnieniem tętniczym.*
 42. V-th Congress of Polish Hypertension Society, Warszawa 15-16.11.1996 (oral). Winnicki M, Canali C, Accurso V, Mormino P, Palatini P za zgodą HARVEST Trial Group Padwa, Włochy. *Kryteria edycji pomiarów ambulatoryjnego nieinwazyjnego ciśnienia tętniczego - potrzeba standaryzacji ?*
 43. V-th Congress of Polish Hypertension Society, Warszawa 15-16.11.1996 (oral). Winnicki M, Santonastaso M, Cozzutti C, Dal Follo M, Berton G, Palatini P za zgodą HARVEST Study Group, Padwa, Włochy. *Rodziny wywiad w kierunku nadciśnienia tętniczego oraz poziom dopaminy przewiduje spadek ciśnienia tętniczego po redukcji wagi ciała u pacjentów z łagodnym nadciśnieniem tętniczym.*
 44. V-th Congress of Polish Hypertension Society, Warszawa 15-16.11.1996 (poster). Winnicki M, Chrostowska M, Szczech R, Narkiewicz K, Krupa-Wojciechowska B. *Reakcja alarmowa przewiduje zmienność ambulatoryjnego ciśnienia tętniczego.*
 45. VII-th International Symposium on Cardiovascular Pharmacotherapy, Jerusalem, Israel, 01-06.06.1997 (poster). Bartłomiejczyk-Majchrowicz K, Winnicki M, Krupa-Wojciechowska B. *Effects of amlodipine and nitrendipine on 24-hour ambulatory blood pressure and albumin excretion rate in mild hypertensives.*
 46. II-nd Symposium of Polish Society of Metabolic Disorders and Obesity, Kraków, Polska, (oral). Chrostowska M, Pawlowski R, Narkiewicz K, Winnicki M, Hauser R, Krupa-Wojciechowska B. *Dystrybucja tkanki tłuszczowej u osób zdrowych niezależna od różnic genetycznych w locus angiotensynogenu.*

47. VIII-th European Meeting of Hypertension, Milan, Italy, 13-16.06.1997 (poster). Chrostowska M, Winnicki M, Jagoda J, Narkiewicz K, Pawłowski R, Kubasik A, Krupa-Wojciechowska B. *The relationship between polymorphism of renin-angiotensin genes, blood pressure and left ventricular geometry in young healthy males.*
48. VIII-th European Meeting of Hypertension, Milan, Italy, 13-16.06.1997 (poster). Winnicki M, Santonastaso M, Cozzutti C, Dal Follo M, Mos L, Palatini P, on behalf of the HARVEST Study Group (Italy). *Factors predicting blood pressure response to body weight loss.*
49. VIII-th European Meeting of Hypertension, Milan, Italy, 13-16.06.1997 (poster). Świerblewska E, Chrostowska M, Winnicki M, Jagoda J, Dudziak M, Narkiewicz K, Malinowska AM, Pawłowski R, Krupa-Wojciechowska B. *The polymorphism of the angiotensin I converting enzyme gene and left ventricular hypertrophy in normotensives and untreated borderline to mild hypertensives.*
50. V-th Alpe-Adria Cardiology Meeting, Graz, Austria, 08-10.05.1997 (poster). Chrostowska M, Winnicki M, Narkiewicz K, Świerblewska E, Pawłowski R, Krupa-Wojciechowska B. *Lack of linkage between angiotensinogen gene locus with BMI and body fat distribution.*
51. V-th Alpe-Adria Cardiology Meeting, Graz, Austria, 08-10.05.1997 (poster). Świerblewska E, Chrostowska M, Winnicki M, Jagoda J, Dudziak M, Narkiewicz K, Szczęch R, Malinowska AM, Pawłowski R, Krupa-Wojciechowska B. *Relation between the insertion/deletion polymorphism in the angiotensin I-converting enzyme gene and the left ventricular hypertrophy indexes in normotensives and untreated borderline to mild hypertensives.*
52. XII-th Annual Scientific Meeting of American Society of Hypertension, San Francisco, USA, 28-31.05.1997 (poster). Chrostowska M, Winnicki M, Szczęch R, Narkiewicz K, Bigda J, Pawłowski R, Krupa-Wojciechowska B. *Relation between genetic variation at the angiotensinogen locus and waist-hip ratio, body mass index in normotensive subjects.*
53. XII-th Annual Scientific Meeting of American Society of Hypertension, San Francisco, USA, 28-31.05.1997 (poster). Winnicki M, Canali C, Mormino P, Palatini P, on behalf of the HARVEST Study Group (Italy). *Ambulatory blood pressure monitoring editing criteria: do we need standarization?*
54. XII-th Annual Scientific Meeting of American Society of Hypertension, San Francisco, USA, 28-31.05.1997 (poster). Winnicki M, Santonastaso M, Cozzutti C, Dal Follo M, Berton G, Palatini P, on behalf of the HARVEST Study Group (Italy). *Factors depending blood pressure response to body weight loss - the Harvest Study.*
55. VI-th Meeting of Polish Diabetes Society, Łódź, Polska, 15-17.05.1997 (poster). Jasiel-Wojculewicz H, Łukaszewicz M, Winnicki M, Gockowski K, Krupa-Wojciechowska B. *Influence of trandolapril on cholesterol level and glucose metabolism in mild to moderate hypertensives with type 2 diabetes.*
56. 2-nd European Research Conference on Blood Pressure and Cardiovascular Disease Noordvijkenhuit, Holland, 18-20.10.1997 (poster) Winnicki M, Koss K, Chrostowska M, Pawłowski R, Krupa-Wojciechowska B, Welsh K. *Influence of the promotor region of interleukin_10 gene polumorphism on the ambulatory blood pressure level and its variability in normotensive males with possitive and negative family history of hypertension.*
57. I-st International Congress of Polish Cardiac Society, Warszawa, Polska, 04-09.09.1997 (poster). Świerblewska, E., Chrostowska M, Winnicki M, Jagoda J, Dudziak M, Narkiewicz K, Malinowska AM, Pawłowski R, Krupa-Wojciechowska B. *The polimorphism of the angiotensin I converting enzyme gene and left ventricular hypertrophy in normotensives and untreated borderline to mild hypertensives.*
58. XIII-th Annual Scientific Meeting of American Society of Hypertension, New York, USA, 05.1998 (oral). Berton G, Cordiano R, Mbaso S, Javernaro A, Guarnieri GL, Dal Canton A, De Toni R, Mormino P, Winnicki M, Palatini P. *History of hypertension has a great predictive value toward one-year mortality after acute myocardial infarction, but only in patients with microalbuminuria.*

59. XIII-th Annual Scientific Meeting of American Society of Hypertension, New York, USA, 05.1998 (poster). Winnicki M, Hoffmann M, Accurso V, Pawłowski R, De Toni R, Krupa-Wojciechowska B, Palatini P, on behalf of the HARVEST Study Group (Italy). *Association of ACE gene polymorphism with HDL level and blood pressure variability in stage I hypertensives.*
60. VII-th Meeting of Polish Diabetes Society, Łódź, Polska, 05.1998 (poster). Semetkowska-Jurkiewicz E, Nowakowski M, Bigda J, Pawłowski R, Narkiewicz K, Chrostowska M, Bieniaszewski L, Winnicki M. *Polymorphism of the angiotensin converting enzyme (ACE) gene in patients with diabetic nephropathy.*
61. XVII-th Scientific Meeting of the International Society of Hypertension, Rio de Janeiro, Brazil, 05.1998 (poster). Winnicki M, Koss K, Chrostowska M, Pawłowski R, Krupa-Wojciechowska B, Welsh K. *Does the promotor region of interleukin-10 gene polymorphism and heredity influence the ambulatory blood pressure level in normotensives? Journal of the*
62. VII-th Congress of Polish Hypertension Society, Warszawa, Polska 10.1998 (poster) Chrostowska M, Koss K, Pawłowski R, Welsh K, Winnicki M, Krupa-Wojciechowska B. *Polimorfizm promotora genu interleukiny-10 a profil dobowy i zmienność ciśnienia tętniczego u młodych zdrowych mężczyzn.*
63. VII-th Congress of Polish Hypertension Society, Warszawa, Polska 10.1998 (oral) Hoffmann M, Accurso V, Pawłowski R, Winnicki M, Palatini P, Krupa-Wojciechowska B. *Wpływ polimorfizmu genu konwertazy angiotensyny-I (ACE) na poziom lipoprotein HDL i zmienność ciśnienia tętniczego u pacjentów z łagodnym nadciśnieniem tętniczym.*
64. VII-th Congress of Polish Hypertension Society, Warszawa, Polska 10.1998 (oral) Jasiel-Wojculewicz H, Gockowski K, Winnicki M, Łukaszewicz M, Krupa-Wojciechowska B. *Ocena wpływu leczenia trandolaprylem na wybrane parametry metabolizmu węglowodanów i lipidów w grupie chorych z nadciśnieniem tętniczym i cukrzycą typu 2 w okresie 12 miesięcy*
65. XIV-th Annual Scientific Meeting of American Society of Hypertension, New York, USA, 13-17.05.1999 (poster). Winnicki M, Accurso V, Hoffmann M, Pawlowski R, Mos L, Piccolo D, Krupa-Wojciechowska B, Palatini P on behalf of the HARVEST Study Group. *A linkage between angiotensinogen gene polymorphism and stage i hypertension - the Harvest Study.*
66. XIV-th Annual Scientific Meeting of American Society of Hypertension, New York, USA, 13-17.05.1999 (poster). Winnicki M, Accurso V, Hoffmann M, Pawlowski R, De Venuto G, Dorigatti F, Berton G, Krupa-Wojciechowska B, Palatini P on behalf of the HARVEST Study Group, Italy. *Association of angiotensin-converting enzyme polymorphism with lifestyle and family history of hypertension in stage i hypertensives.*
67. XIV-th Annual Scientific Meeting of American Society of Hypertension, New York, USA, 13-17.05.1999 (poster). Palatini P, Winnicki M, Santonastaso M, De Venuto G, Zanata G, Bertolo O, Frigo G, Pessina AC, for the HARVEST Study Group, Padova (Italy). *Reproducibility of heart rate measured in the clinic and with 24-hour intermittent recorders.*
68. X-th European Meeting on Hypertension, Goteborg, Sweden, 29.05-03.06.2000 (poster). Narkiewicz K, Winnicki M, Kato M, Phillips BG, Cwalina E, Somers VK. *Contribution of sympathetic neural activity to 24-hour blood pressure variation.*
69. X-th European Meeting on Hypertension, Goteborg, Sweden, 29.05-03.06.2000 (oral). Winnicki M, Accurso V, Hoffmann M, Pawlowski R, Berton G, Jeunemaitre X, Krupa-Wojciechowska B, Somers VK, Palatini P. *The association between physical activity and angiotensin-converting enzyme gene polymorphism in hypertensive patients.*
70. X-th European Meeting on Hypertension, Goteborg, Sweden, 29.05-03.06.2000 (poster). Casiglia E, Mazza A, Tikhonoff V, Pizziol A, Martini B, Basso G, Sica E, Saugo M, Martines M, Pavei A, Ruffati S, Brandolin B, Privato G, Scarda A, Ngante L, Schenal N, Guglielmi F, Winnicki M, Pessina AC. *Protocol and experimental design of the Leogra (last evidences of genetic risk factors in the aged) study, a population-based genetic approach to cardiovascular risk.*
71. XVI-th Annual Scientific Meeting of American Society of Hypertension, New York, USA, 15-19.05.2001

- (poster). Winnicki M, Somers VK, Accurso V, Hoffmann M, Pawlowski R, Frigo G, Visentin P, Palatini P. *The influence of gene-gene interactions on left ventricular mass.*
72. XVI-th Annual Scientific Meeting of American Society of Hypertension, New York, USA, 15-19.05.2001 (poster). Hoffmann M, Somers VK, Accurso V, Frigo G, Santonastaso M, Mos L, Zanata G, Dal Follo M, Biasion T, Pegoraro F, Winnicki M, Palatini P. *Changes in blood pressure over long-term observation. The role of gender and angiotensin-converting enzyme I/D polymorphism.*
73. XI-th European Meeting on Hypertension, Milan, Italy, 15-19.05.2001 (oral). Winnicki M, Somers VK, Accurso V, Hoffmann M, Pawlowski R, Frigo G, Visentin P, Palatini P. *The influence of gene-gene interactions on left ventricular mass.*
74. XI-th European Meeting on Hypertension, Milan, Italy, 15-19.05.2001 (poster). Hoffmann M, Winnicki M, Somers VK, Accurso V, Frigo G, Santonastaso M, Mos L, Zanata G, Dal Follo M, Biasion T, Pegoraro F, Palatini P. *Changes in blood pressure over long-term observation. The role of gender and angiotensin-converting enzyme I/D polymorphism.*
75. XI-th European Meeting on Hypertension, Milan, Italy, 15-19.05.2001 (poster). Casiglia E, Tikhonoff V, Winnicki M, Mazza A, Martini B, Basso G, Accurso V, Caffi S, Pessina AC. *Protocol and study design of the genetically-oriented treatment optimisation (GOTO) Study.*
76. XIX-th Scientific Meeting of the International Society of Hypertension and XII-th European Meeting on Hypertension, Prague, Czech Republic, 23-27.06.2002 (oral). Winnicki M, Somers VK, Accurso V, Phillips BG, Puato M, Palatini P, Pauletto P. *The influence of diet on the cardiovascular risk factors in an African tribal population.*
77. XIX-th Scientific Meeting of the International Society of Hypertension and XII-th European Meeting on Hypertension, Prague, Czech Republic, 23-27.06.2002 (poster). Winnicki M, Somers VK, Hoffmann M, Accurso V, Mattarei M, Pawlowski R, Semplicini A, Siffert W, Palatini P. *Genetic determinants of white-coat effect.*
78. XIX-th Scientific Meeting of the International Society of Hypertension and XII-th European Meeting on Hypertension, Prague, Czech Republic, 23-27.06.2002 (poster). Berton G, Guarnieri GL, Breda A, Cordiano R, Palmieri R, Winnicki M, Mormino P, Restaneo A, Palatini P. *Association between blood pressure and albumin excretion rate in diabetic patients with or without hypertension.*
79. XIX-th Scientific Meeting of the International Society of Hypertension and XII-th European Meeting on Hypertension, Prague, Czech Republic, 23-27.06.2002 (poster). Kara T, Jurak P, Vondra V, Kuba R, Nykodym J, Brazdil M, Soucek M, Cifkova R, Halamek J, Winnicki M, Frana P, Somers VK. *The effects of direct vagus nerve stimulation on heart rate and blood pressure in humans.*
80. XVIII-th Annual Scientific Meeting of American Society of Hypertension, New York, USA, 14-17.05.2003 (poster). Palatini P, Winnicki M, Santonastaso M, Mos L, Dorigatti F, Dal Follo M, Biasion T, Garavelli G, Pegoraro F, Pessina AC. *Family history of hypertension is not a risk factor for progression of hypertension.*
81. XVIII-th Annual Scientific Meeting of American Society of Hypertension, New York, USA, 14-17.05.2003 (poster). Winnicki M, Somers VK, Hoffmann M, Accurso V, D'Este D, Zanatta G, Bortolazzi A, Pawlowski R, Semplicini A, Siffert W, Palatini P. *Is white-coat effect a uniform condition?*
82. XIII-th European Meeting on Hypertension, Milan, Italy, 13-17.06.2003 (oral). Winnicki M, Santonastaso M, Mos L, Visentin P, Berton G, Dorigatti F, Zanata G, Bortolazzi A, Pessina AC, Palatini P. *White coat hypertension. A really benign condition ?*
83. XIII-th European Meeting on Hypertension, Milan, Italy, 13-17.06.2003 (poster). Winnicki M, Hoffmann M, Accurso V, De Toni G, Graniero GR, Laurini G, Milani L, Siffert W, Semplicini A, Palatini P. *Genetics of microalbuminuria in mild hypertension.*
84. XX-th Scientific Meeting of the International Society of Hypertension, Sao Paulo, Brazil, 15-19.02.2004 (oral). Winnicki M, Palatini P, Munari L, Longo D, Sanigi C, Mos L, Garavelli G, Biasion T, Pegoraro F, Dal Follo

- M, Dorigatti F, Pessina AC. *Masked hypertension in young, stage 1 hypertensives.*
85. XX-th Scientific Meeting of the International Society of Hypertension, Sao Paulo, Brazil, 15-19.02.2004 (poster). Longo D, Garbelotto R, Sanigi C, Perkovic D, Zaetta V, Graniero GR, Winnicki M, Munari L, Palatini P. *Genetic background of impaired arterial compliance in early stage of hypertension.*
 86. XX-th Scientific Meeting of the International Society of Hypertension, Sao Paulo, Brazil, 15-19.02.2004 (poster). Winnicki M, Somers VK, Santonastaso M, Mos L, Longo D, Dorigatti F, Munari L, Dal Follo M, Biasion T, Garavelli G, Pegoraro F, Palatini P. *Interactions between family history of hypertension and lifestyle in progression of hypertension.*
 87. XIV-th European Meeting on Hypertension, Paris, France, 13-17.06.2004 (oral). Winnicki M, Dorigatti F, Mos L, Santonastaso M, Longo D, Zaetta V, Biasion T, Dal Follo M, Bortolazzi M, Zanata G, Pegoraro F, Pessina AC, Palatini P. *Clinical significance of masked hypertension in young-to-middle-age subjects screened for stage 1 hypertension.*
 88. XIV-th European Meeting on Hypertension, Paris, France, 13-17.06.2004 (poster). Palatini P, Winnicki M, Mormino P, Dorigatti F, Mos L, Mazzer A, Garavelli G, Mattarei M, De Venuto G, Zonzin P, D'Este D, Laurini G, Cozzutti E, Pessina AC. *White-coat hypertension. A uniform condition?*
 89. XIV-th European Meeting on Hypertension, Paris, France, 13-17.06.2004 (poster). Longo D, Garbelotto R, Zaetta V, Perkovic D, Puato M, Visentin P, Frezza P, Winnicki M, Palatini P. *Clinical significance of impaired arterial distensibility in the early stage of hypertension.*
 90. XIV-th European Meeting on Hypertension, Paris, France, 13-17.06.2004 (poster). Winnicki M, Frigo G, Visentin P, Mormino P, Santonastaso M, Longo D, Zaetta V, Pessina AC, Palatini P. *Genetic background of left ventricular dysfunction in the early stage of hypertension.*
 91. 65-th National Congress of the Italian Society of Cardiology, Rome, Italy, 10-13.12.2004 (oral). Zaetta V, Winnicki M, Santonastaso M, Mos L, Longo D, Dorigatti F, Munari L, Dal Follo M, Biasion T, Garavelli G, Pegoraro F, Palatini P. *Interazione tra familiarità per ipertensione e stile di vita nella progressione dell'ipertensione.*
 92. 65-th National Congress of the Italian Society of Cardiology, Rome, Italy, 10-13.12.2004 (oral). Longo D, Perkovic D, Zaetta V, Winnicki M, Palatini P. *Distensibilità arteriosa nell'ipertensione arteriosa.*
 93. XVI-th Scientific Meeting of the Interamerican Society of Hypertension, Cancun, Mexico, 17-21.04.2005 (oral). Winnicki M, Somers VK, Tikhonoff V, Guglielmi F, Mazza A, Rynkiewicz A, Limon J, Ochman K, Martini B, Schiavon L, Casiglia E. *Blood pressure and aldosterone synthase gene polymorphism in elderly population.*
 94. XVI-th Scientific Meeting of the Interamerican Society of Hypertension, Cancun, Mexico, 17-21.04.2005 (poster). Bonso E, Winnicki M, Zanata G, Biasion T, Longo D, Zaetta V, Mormino P, Pessina AC, Palatini P. *Body weight loss and blood pressure after 6-years of follow-up.*
 95. XVI-th Scientific Meeting of the Interamerican Society of Hypertension, Cancun, Mexico, 17-21.04.2005 (poster). Longo D, Zaetta V, Perkovic D, Winnicki M, Mormino P, Palatini P. *Sympathetic overactivity and progression of hypertension.*
 96. XVI-th Scientific Meeting of the Interamerican Society of Hypertension, Cancun, Mexico, 17-21.04.2005 (poster). Zaetta V, Longo D, Bratti P, Guarnieri C, Dorigatti F, Winnicki M, Palatini P. *Increased sympathetic tone in the early stage of hypertension.*
 97. XV-th European Meeting on Hypertension, Milan, Italy, 17-21.06.2005 (oral). Longo D, Perkovic D, Zaetta V, Bonso E, Garbelotto R, Frezza P, Winnicki M, Palatini P. *Pathogenetic mechanisms in the development of the metabolic syndrome and its complications: role of the sympathetic activity.*
 98. XV-th European Meeting on Hypertension, Milan, Italy, 17-21.06.2005 (oral). Winnicki M, Bonso E, Dorigatti F, Mos L, Santonastaso M, Longo D, Zaetta V, Biasion T, Dal Follo M, Bortolazzi A, Zanata G, Perkovic D, Mormino P, Pessina AC, Palatini P. *Dose-response relationship between body weight loss and decrease in*

blood pressure after 6-years of follow-up. The Harvest study.

99. XV-th European Meeting on Hypertension, Milan, Italy, 17-21.06.2005 (poster). Tikhonoff V, Winnicki M, Somers VK, Rynkiewicz A, Limon J, Mazza A, D'Este D, Schiavon L, Scarpa R, Pessina AC, Casiglia E. *C-344T polymorphism of aldosterone synthase and blood pressure in the elderly.*
100. XX-th Annual Scientific Meeting of the American Society of Hypertension, New York 17-21.05.2005 (poster). Palatini P, Mormino P, Santonastaso M, Mos L, Dal Follo M, Biasion T, Longo D, Dorigatti F, Winnicki M, Graniero GR and Pessina AC. *Time course of albuminuria in untreated mild hypertension. An insight from the HARVEST study.*
101. 66-th National Congress of the Italian Society of Cardiology, Rome, Italy, 10-13.12.2005 (oral). Zaetta V, Longo D, Perkovic D, Ragazzo F, Winnicki M, Palatini P. *Evoluzione della pressione arteriosa e di variabili metaboliche nell'ipertensione di grado I: Il ruolo del sistema nervoso simpatico.*
102. 66-th National Congress of the Italian Society of Cardiology, Rome, Italy, 10-13.12.2005 (oral). Longo D, Zaetta V, Perkovic D, Ragazzo F, Winnicki M, Palatini P. *Distensibilita arteriosa e rimodellamento vascolare nell'ipertensione white-coat.*
